

SEPTEMBER 28, 2024

Sponsor & Exhibitor Opportunities

APPLICATION DEADLINE:
SEPTEMBER 1, 2024

NVRAP.COM/R5K

About the Event

September marks National Recovery Month which is observed to educate Americans that substance use treatment and mental health services can empower those with mental and substance use disorders to live healthy and rewarding lives. Nevada's Recovery and Prevention celebrates National Recovery Month each year by hosting our R5K Run/Walk & Recovery Celebration.

NRAP's Recovery Run/Walk & Celebration is held to promote community health and wellness, celebrate individuals in recovery, and reduce the stigma often associated with addiction. The R5K provides an opportunity for participants to walk/run in honor of someone they know impacted by substance use, followed by a recovery celebration open to all community members. The post-race celebration is free and open to the public regardless of 5K participation. The celebration will include food, family activities, and local guest speakers and advocates who are in recovery. Community organizations will provide information on local services and present on relevant topics.

Why Support the R5K

NRAP
Nevada's Recovery and Prevention
School of Public Health

Your financial contribution will help support students who identify as being in recovery or those students choosing a substance-free lifestyle have a positive experience while attending the University and strengthen NRAP's ability to change the stigma associated with non-substance use on our college campuses.

All donations made to NRAP are tax deductible through The University of Nevada, Reno Foundation, a nonprofit 501(c)(3) organization (TIN: 94-2781749).

Event Venue

IDLEWILD PARK | RENO, NEVADA

Idlewild Park is a large, 49 acre community park close to downtown Reno, Nevada on the Truckee River. It includes a rose garden, duck ponds, two children's parks, a pool and a skate park. It holds the Reno Earth Day celebration every year and hosts the Reno Street Food food truck event through the summer months. It is also home to the historic California Building on Cowan Drive.
